

STRIP RETROFIT KIT

MKSRN

Application

Retrofit standard and industrial 4' and 8' strip fixtures.

Construction

Kits Contain: SRN Series reflector / ballast cover, universal socket "M" style socket brackets, TEK screws and Quarter Turns fasteners. Optional ballast, sockets and lamps.

Reflectors: Precision formed, high performance, 95% total reflectance specular reflector, warranted for 25 years or 91% total reflectance white pre-painted aluminum.

Construction: Socket brackets are manufactured from code gauge cold rolled steel and have white baked enamel finishes. Access to ballast and wiring does not require tools.

Electrical

UL listed wire rated for required temperature and voltage. Lamps are secured with Optional twist-locking sockets.

Warranty

One year standard warranty on fixture. Ballast carries 3-5 year manufacture warranty.

Options

Sockets, Ballast and Lamps (See available options)
